For large quantities and when longer lead times are an option, please call for special pricing.

Price is for a metallic bead with an overall length of 33 inches.

including decal affixed to one side of a 2.5 inch inline or standard disc medallion.

Set-Up Charge \$50.00 per decal design for multi-color artwork, including 4-color process

Reorder Setup Fee \$25.00

Product Features: Inline disc medallion is permanently attached to the bead and cannot be removed; therefore, a single color choice is required for bead and medallion.

Product Options: Assorted color quantities available.

Metallic Colors: Black, Gold, Green, Orange, Pink, Royal Blue, Purple, Red, Silver, Turquoise, Navy Blue

Printing Features: Four-color process with a high gloss finish

Minimum Quantity: 10 dozen

Delivery Time: 2-4 weeks following final artwork approval. Large quantity (overseas) orders require 90-120 days following final approval of artwork. Production time may vary slightly during peak production months of October through March or due to higher order quantities. Rush air and in-house production options available. Call for details.

Artwork requirement: Camera-ready logo slick; original black and white or color artwork; original digital art in the following formats: TIF, PNG or JPEG (300DPI); digital vector file in EPS or AI format.

All prices are FOB New Orleans, LA and do not include any applicable sales taxes. Prices do not include any royalties or fees associated with the use of special logos. Any special charges such as express air freight or special artwork is not included and will be billed accordingly. ALL PRICES, COLORS & DESIGN CRITERIA ARE SUBJECT TO CHANGE BBD/4/2020
